## **CERTIFIED** ELEMENTARY SCHOOL TEACHER (Grades K-6)

**Devoted** elementary school teacher with four years of experience and an **outstanding** record of inspiring success, offering excellent performance reviews and a passion for helping children excel.

### Core Competencies

- ♦ Curriculum Development
- ♦ Experiential Learning
- ♦ Lesson Planning
- ♦ Classroom Management
- ♦ Special Needs Students and Students with IEPs
- ♦ Standardized Testing and Scoring
- ♦ Student Evaluation
- ♦ One-on-one Tutoring

### Experience

**Elementary Teacher (K-6)**, Mowley Elementary School, Mowley, OH 9/10—present  
**Substitute Teacher (K-6)**, Mowley Elementary School, Mowley, OH 9/09—6/10

Hired as a full-time teacher following successful year of substitute teaching. Provided instruction in all academic areas to diverse groups of students in grades 2 and 4. Developed dynamic and informative lesson plans and creative teaching strategies designed to excite interest and promote engagement. Created a calm and stimulating atmosphere conducive to learning. Instructed 20-25 students per class. Left Mowley Elementary School, on excellent terms, when the school closed unexpectedly due to budget constraints.

- ♦ Consistently commended for creative teaching, effective lesson plans, inspiring instructional materials, and enthusiasm. Elicited marked improvement in student performance in the classroom and on standardized achievement tests.
- ♦ Developed innovative strategies for motivating low-performing students. Led school-wide effort to motivate low-performing students at all grade levels.
- ♦ Effectively managed personality conflicts and disruptive behavior. Repeatedly lauded for success in helping students replace negative behaviors with productive behaviors.
- ♦ Established positive relationships with students, parents, colleagues, and school administrators and staff. Pioneered new teacher-parent communication strategy.
- ♦ Improved methods of challenging special needs students who have been mainstreamed.
- ♦ Provided after-school tutoring at no cost to further foster students' literacy skills.
- ♦ Partnered with colleagues to develop reading intervention program for second graders.
- ♦ Served on school committees devoted to improving student performance, reviewing discipline policies, evaluating the curriculum, and combatting racism.
